

Jesus is Coming Again!

**He is the Saviour today;
He will be the Judge tomorrow!**

Jesus is Coming Again!

We greet you in the Name of Christ Jesus who has divided history as “Before Christ” (B.C.) and “After Christ” (A.D.).

Jesus, as the Centre of History, was born about 2000 years ago in this world and lived a sinless life for 33½ years. The age-old longing, that “God should be born as a man,” was fulfilled in Jesus. He called Himself as the “Son of God.”

Jesus, born in the land of Palestine in the Asian Continent, proclaimed the love of God to people in word and deed. He forgave even the worst of sinners who came to Him; He was merciful to the poor; He embraced the outcasts; He healed the sick. Thus whatever He did was for the good of people.

The simple teachings of Jesus attracted masses. Crowds went after Him. Because of this, the religious leaders of that day became jealous of Him. They accused Him falsely. Finally they enticed the Governors of the Roman Empire and crucified Jesus on the Cross.

Jesus had already predicted His cruel death during His sermons to the people. He had explained to them that His death would be just a sacrifice for the sins of the people of the whole world. Not only that, He had also promised His disciples that on the third day He would rise again. Yes, He rose again and showed Himself to the disciples for 40 days, and then ascended back to Heaven.

P

Before ascending to Heaven, Jesus often said, “I will come again!” In the Holy Scripture, which is called the Bible, there are hundreds of predictive prophecies given as promises of God about the First Coming and the Second Coming of Christ. Each one of the prophecies about His First Coming was fulfilled literally. In the same way all the predictions about His Second Coming also will be fulfilled as written in the Bible.

When Jesus came for the first time, He came as the **Saviour**. When He comes again, He will come as the **Judge**. Those who believe on Him and accept Him as their Saviour today will not face the last judgment for condemnation.

Dear Friend, there's no one sinless in this world. The sinless Jesus, who became a sacrifice for us, alone can forgive our sins. When we pray to Him in faith, “Jesus, forgive my sins,” He will grant the assurance of forgiveness of sins in our heart. Peace will flood in our heart. Guilt will be lifted off. This is how we can become the children of God (John 1:12). God will become resident in our heart.

Whatever religion you may belong to, Christian or non-Christian, Jesus loves you. He calls you to come to Him. Open your heart and tell Him your sins, fears, worries and sicknesses. He will wipe away your tears. He will bless you, your family and your work. Those who have taken Jesus as their only Saviour and God in their hearts will experience inexpressible joy.

Contact Christian friends known to you and get a copy of the Bible and read it. You will receive greater clarity.

Jesus will come again to this world suddenly when most unexpected. He will take to Heaven those who live worshipping Him as their only Saviour and God. According to the Bible, others will land in Hell (Mark 16:15,16). It emphatically says, "His anger will soon flare up; blessed are those who take refuge in Him" (Psalm 2:12).

This pamphlet was given to you with a loving desire that your soul should live with God for ever and ever in eternal bliss. Thank you for reading this patiently!

God bless you abundantly!
