

To God be the glory!

The Bible became my inexhaustible delight from 1962 when God saved me by His amazing grace at the age of sixteen (Psa 1:2). Since then, until this day (2019), studying and sharing it has been my most favourite occupation (Psa 71:17,18). God in His mercy has used me, an unworthy vessel (2 Cor 4:7), all these years to raise, through teaching and training, hundreds and thousands of Bible Lovers, Prayer Warriors, Personal Soulwinners, Neighbourhood Evangelists, Frontline Missionaries, Church Planters, Bible Teachers and Christian Leaders who bear abiding fruit all over the world (Jn 15:16). To Him be the glory (2 Cor 3:5)!

After 13 years of serving God as a College Student and a Building Engineer, I completed 44 YEARS of fulltime ministry yesterday (3 Oct 2019). This testimony is to sincerely request your continued prayers for me so I may finish well (Jn 17:4; Psa 92:13-15).
